Western Massachusetts Region Homeland Security
Advisory Council

ADD YOUR CONTACT INFO HERE

Introduction

In times of crisis the emergency rest center can provide a warm welcome, a cup of water, somewhere to charge your cell phone, a place to rest, and to get critical news.

Emergency Events that Create a Need for Safety Away from Home

Who We Are

ADD your logo here Our community of faith works with local emergency management staff and other voluntary organizations to provide hospitality and a safe haven to neighbors and strangers alike, during an emergency. Our volunteers are here to provide compassion, reassurance and calm.

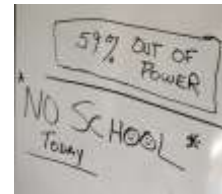

We Provide

Food and Water

We will have water and snacks. Sometimes we may also be able to provide light meals.

Critical Information

We will have information about the emergency, how recovery efforts are proceeding and how to reach friends and family members.

Care and Comfort

- We provide a safe, welcoming and caring atmosphere for children, families and the elderly.
- Service animals and small pets in cages are allowed.
- We offer basic first aid.

Referrals

We will try to help you find the services you may need.
